The Board of Trustees of the Peter Akinola Foundation [PAF] wishes to thank you for your sustained interest and in buying into the vision and mission of the Foundation to search, identify and recommend some of the unemployed youths in your areas to be part of the 2017 batch of trainees. For all your past, present and future efforts, we are most grateful.

This is to announce that the Board of Trustees of the Foundation has given its final approval for the commencement of training for the 6th set of Youths at Crossroad in Economic Empowerment Programmes at its Centre for Industrial Training located at kilometre 10, Abeokuta-Lagos Expressway, Abeokuta Industrial Estate, Abeokuta.

In this regard, candidates are wholly responsible for their accommodation, feeding, medical and examination fees. But because of the vision that undergirds our programme at PAF, we do not charge such commercial fees. Furthermore, we believe that no youth at crossroads of life should be hindered from achieving his/her life aspiration.

Therefore, we wish to remind all those who wish to recommend candidates that we see this programme as a Godly and healthy partnership and humbly request that this token fees for each of your nominees be remitted on or before Saturday January 7, 2017 either on-line or to be paid during registration with certified cheque.
